CARING STARTS WITH SMALL CHOICES

Free Activity Pack

A small set of creative activities for children ages 3–7, designed to help them discover through play that little everyday choices matter.

What's inside?

5 creative activity pages

Color, draw, connect and solve simple activities together. Each activity encourages children to think independently and talk about everyday choices.

How to print?

1. Print the PDF in A4 format.
2. Select single-sided printing.
3. For greater durability, you can use 120–200 g/m² paper.
4. Optionally, laminate the pages so you can use them again and again.

Playing together creates an opportunity to talk, explore and notice that even little choices can make a difference.
